even know it. “There’s not

a grocery store in Gnaw Bone. We’re the  
closest thing to a grocery. And the gas  
station,” Jennifer Morrison said.

Morrison and her daughter, Chloe, run the Gnaw Bone  
Country Store and Bakery. Jennifer said it was her  
dream to open a bakery. • A few years ago that dream

became a reality. “I love that this used to be sorghum mill and that it  
was a 70-year-old building and had a lot of history to it,” Morrison  
said. “And then back in the kitchen was an old, wood fire cooker, and  
they cook it down like maple syrup and so it’s a molasses and I’ll

make a cookie with it, sometimes breads  
different things I’ll use and we work with  
a local farmer now to have the  
syrup.” • It’s an old building with a rich  
history, kind of like the town’s name.

“This was a really poor community and people  
had to gnaw on bones to get food. Like people  
who were passing by would see people on their  
porch just gnawing on bones and they would  
come back through and they’re still gnawing on  
bones.” Chloe Morrison said.

# USMNT advances to World Cup knockout stage with hard-fought victory over Iran

text from cnn.com

[CNN] The US Men's National Team (USMNT) was made to work hard for its place in the World Cup knockout stage, earning a tough 1-0 win over Iran in a nerve-racking Group B decider at Qatar 2022.

Christian Pulisic's first-half goal was all that separated the two sides as the USMNT reached the round of 16 for the first time since 2014.

The pressure was certainly on for Gregg Berhalter's side in Qatar after the national team's failure to qualify for the 2018 World Cup, but the US got the job done with three gritty group performances.

It certainly wasn't pretty at times, in particular in the closing stages against Iran, but progressing through the group stage was the minimum expectation for this exciting young team.

There will be some concerns going into the knockout stages, though, after Pulisic suffered an abdominal injury while scoring the winner.

The USMNT will be hoping its star man, dubbed 'Captain America' by some, is fit for the round of 16 tie

against the Netherlands on Saturday following the news that Pulisic had been sent to hospital for a scan.

## Winner takes all

condensed bold

This was the only the third meeting ever between the two nations and their first World Cup encounter since France 1998 — a politically charged match that saw Iran emerge as a shock 2-1 winner.

That was the first time that Iran and the US, sometimes described officially in Iran as the 'Great Satan,' had met on the football pitch and the biggest sporting occasion between the countries since the 1979 revolution.

The build-up to this game in Qatar has been similarly tense, with Iran even calling for the USMNT to be expelled from the World Cup after the US Soccer Federation posted an Iranian flag without the emblem of the Islamic Republic on its social media platforms to show support for protesters in Iran.

USMNT manager Berhalter and captain Tyler Adams also faced some tough questions from Iranian journalists in a fiery press conference, fending off accusations of hypocrisy and disrespect.
